

Great Results Guarantee

**Under the agreement for 2015
Woody Point Special School will receive**

\$37,450*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Embed Intensive Interaction as a pedagogical approach to teaching the fundamentals of communication.
- Utilise OneSchool dashboard functions to create consistent data collection processes for student learning data in the areas of Literacy, Numeracy and Communication.
- Continue to train teacher aides in the MSSWD online courses in relevant disability specific areas.
- Build ICT knowledge and skills across the school to improve student outcomes through digital learning opportunities with a strong focus on Literacy and Numeracy.

Our strategy will be to

Intensive Interaction: Appoint Intensive Interaction Coach and support staff through peer feedback and moderation processes. Engage in professional development through Intensive Interaction Australia and UK.

Student Learning Data: Identify consistent data collection tools for communication, Literacy and Numeracy and provide training and resources to teachers and link new and existing data to OneSchool dashboard.

Teacher Aides: Align teacher aide training requirements to the current class/program placements.

Digital Learning: Develop a system of individual access plans for Literacy and Communication Technology and provide coaching and mentoring for teachers in the use of digital media for Literacy and communication.

Our school will improve student outcomes by
