School Overview

Woody Point Special School is a state special school situated on the Redcliffe Peninsula in Queensland. It provides educational programs for students with disabilities who live in surrounding areas of Brighton, Sandgate and Deception Bay as well as students living on the Redcliffe Peninsula.

The school has two main sectors. The Early Childhood Development Program (ECDP) caters for students from birth to Pre-Prep in playgroup and Prior to Prep groups. The Special School caters for students from Prep to Year 12. Classes are organised taking into account students' learning needs and age.

Our school community consists of students, staff and parents all working together with supporting professionals to provide a specialised learning environment which results in positive learning outcomes. These outcomes are based on strong relationships and effective communication for our diverse population.

In 2016, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the Student Body

Overview

Woody Point Special School caters for a diverse range of students in both the ECDP (Early Childhood Development Program) and school. Students in the ECDP demonstrate a suspected or confirmed disability and are approved for attendance by North Coast Region. Some students who attend the ECDP will continue at Woody Point Special School for their schooling while others will transition to local primary schools.

Students in the school must have a verified Intellectual Disability and may have other disabilities such as autistic spectrum disorder (ASD), physical, hearing or vision impairment. Our students travel from several surrounding suburbs, mainly within the Moreton Bay Regional Council area. They have a wide range of socio economic, ethnic, family composition and cultural backgrounds. Most students live in urban areas such as Brighton, Redcliffe Peninsula, Deception Bay, Rothwell. Woody Point has a very small proportion of students who are indigenous, or who have non-english-speaking backgrounds.

Curriculum Delivery

Our Approach to Curriculum Delivery

During 2016, Woody Point Special School provided specialised educational programs for students with a range of disabilities. This school seeks to provide a happy, safe, supportive and effective learning environment that creates a feeling of trust and security for students and their families and leads to the development of each student's individual potential.

- ✓ Students from Prep to Year 10 at Woody Point Special School engaged in subjects within the Australian Curriculum across 2016 including English, Mathematics, Science, Geography and History.
- ✓ Students in Year 11 and 12 accessed highly individualised learning programs based on the Guidelines for Individual Learning as outlined in their SET (Senior Education and Training Plan)
- ✓ Communication programs are undertaken across all areas of the school and a range of communication strategies are implemented including; Key Word Signing, PODD, Speech Generating Devices and Intensive Interaction.
- ✓ In the ECDP, Curriculum is developed around the Early Years Learning Framework.
- ✓ Across the campus all students' programs are developed by teachers in conjunction with parents, therapists and other stakeholders. Programs are individualised and adjusted to suit the needs of our diverse student population. Units of work are linked to students' ICP, SET or curriculum goals within curriculum contexts drawn from the Australian Curriculum.
- ✓ Communication is a strong focus for all students at Woody Point and linking learning to real life situations is a distinctive feature of the School.
- ✓ Our HPE program, which incorporates swimming, is delivered by the school's specialist PE teacher.

Co-curricular Activities

The school offers a range of activities that enrich the learning experiences of our students. . Many of these activities are part of our community based learning programs. Our varied curriculum offerings include:

- ✓ Visits to local community recreation activities such as parks, ten-pin bowling, swimming pools and horse riding.
- ✓ Individual and group visits to post school service providers.
- ✓ Swimming and activities in a water environment at school and at local venues.
- ✓ Special events days held at our school, other schools and in the community.
- ✓ Peninsula Fun Run.
- ✓ Multi-sensory programs are delivered in the school's multisensory room.
- ✓ Selected Arts Council programs each year are accessed by students.

How Information and Communication Technologies are used to Assist Learning

A range of ICTs are used to support students to access the school curriculum, and encourage student engagement. Teachers and students have access to Interactive Whiteboards and televisions, Speech Generating Devices (SGD), iPads, touch screens, switches and a range of adapted hardware and software to support teaching and learning. Proloquo2go and Tap To Talk applications are used on classroom iPads to support student communication.

Social Climate

Overview

Woody Point Special School is a place where every child, parent and staff member is valued. Diversity is celebrated. The school provides a positive learning environment for all students during all 'on' campus and community based curriculum offerings. A safe, supportive school environment with a focus on high expectations for all students is a key priority of the Woody Point Special School community.

The School Chaplain provides support to parents, students and staff of the ECDP and the school. The partnerships the chaplain has developed with local churches, businesses and community organisations provides a network of local support and assistance when needed. The school is fortunate to employ an *Educational Program Officer* who supports a Volunteer Program and seeks and maintains links with community organisations. Strong links exist between the school and other community groups including; local service groups (e.g. Lions, Rotary).

Woody Point Special School implements the Responsible Behaviour Plan to provide a safe, supportive environment for all staff and students. Our school is a *Positive Behaviour for Learning (PBL)* school. Our three school expectations guide students' interactions across the campus:

- ✓ I can be Safe.
- ✓ I can be a Learner.
- ✓ I can be Respectful.

In addition to the core expectations, the school implements a comprehensive behaviour curriculum which is taught through explicit lessons, modelling and incidental learning opportunities. The school acknowledgement plan supports and celebrates

positive student behaviour through a range of strategies including postcards and letters home, certificates on assembly and non-classroom behaviour awards.

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Parents work as close partners with our teachers and are involved in their child's education in a variety of ways including:

- ✓ Daily communication with parents directly or via the students' communication books.
- ✓ Formal ICP meetings or SET plan meetings held every six months with a view to supporting student learning and access to curriculum
- ✓ Parents are welcome in classrooms and regularly participate in activities and celebrations at school including fortnightly school assemblies.
- ✓ The Parents and Citizens (P&C) Association meets monthly.

Across 2016, parent and community engagement has been encouraged through the school newsletter published fortnightly and a successful social media presence on the Woody Point Special School Facebook site. Teachers are encouraged to highlight student achievements through these avenues and important information in relation to school events and is shared.

Respectful relationships programs

Woody Point Special School has developed and implemented a program that focuses on appropriate, respectful and healthy relationships through the Positive Behaviour for Learning approach. Through this approach, students are taught explicitly and implicitly about safe and respectful relationships and self-protective behaviours.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016
Short Suspensions – 1 to 5 days	5	0	0
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Environmental Footprint

Reducing the school's environmental footprint

A major working bee takes place annually with outside community assistance to mulch gardens throughout the school. Water usage for gardens in the school is negligible. Tank water is used to top up school pool. The pool's heating and filtration system is energy efficient. A whole school recycling program was introduced in 2016.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	142,269	807
2014-2015	169,324	91
2015-2016	171,937	90

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

2016	86%	87%	90%	87%	89%	73%	94%	77%	81%		88%	90%	94%

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Parents are asked to telephone the school to leave a message advising the school of student absences with an explanation. If students are absent for more than three days without explanation, the school will contact the parent to check on the welfare of the child.

It is understood that in some cases, the child's medical conditions limit the ability to attend school regularly. It is important that the school community recognizes that student health can be compromised by minor childhood illnesses. The school philosophy is to work closely with families to support student attendance. At times, individual case meetings are held to support student attendance. Students who achieve over 95% attendance in a term receive a letter acknowledging their exemplary attendance record.

Class rolls are marked daily. All parents/caregivers who remove a student from the school during the day must do so through the administration office.
